DEPARTMENT OF GENETICS
Professor Joshua Lederberg

January 19, 1968

Thank you for your kind remarks.

When your Board issues a report, or should you develop new information on the subject, I would be happy to hear about it. I am on the point now of commenting on Cravioto's studies on malnutrition/mental retardation, and on a paper by Berg in Foreign Affairs on malnutrition as an impediment to economic development.

Sincerely,

LT. JOSEPH P. KENNEDY, JR. LABORATORIES FOR MOLECULAR MEDICINE
